Terms: Full remittance should accompany each order unless credit arrangements have been established. Remittances should be made payable to Crawford Gardens.

All express shipments will be sent collect.

Divisions: All prices quoted are for good strong divisions with 3 to 5 blooming eyes and with an adequate balanced root system.

Shipments: Peony shipments will be made as soon after the first of September as the season permits and strictly in the sequence in which the orders were received.

Substitutions: No substitutions will be made unless we are specifically requested to do so.

Guarantee: All plants shipped are guaranteed to be true to name, vigorous and healthy and from plants which have bloomed for us. Should a customer receive a root from us which should eventually prove untrue we will promptly replace the root with one that is true.
